

Larry's Lines...

IS IT LIVABLE?

Is Christianity a livable religion? Most persons agree that it is a thinkable religion. It has much to commend it as a good standard of morality, but can it be embodied in everyday human life? This is a very pressing question, because nobody wants to waste his time building castles in the air.

I know this, Jesus believed that His teachings were applicable for every soul who was seeking a new beginning. He also believed that those teachings could change lives, affect home life, move into the business world and permeate all other human relationships.

Christianity is a life that can be lived. However, Paul, says it is something we must work at "Walk worthy of the vocation wherewith ye are called." (Ephesians 4:1) With the help of the Master, not only is the Christian life possible, we are assured of success—"If God be for us, who can be against us?" (Romans 8:31) "Nay, in all these things we are more than conquerors through Him that loved us." (Romans 8:37)

It seems to me that Christianity in not only a good life to live, it is the only life to live. Jesus saw it that way. Others have done it... and surely I can.

Have A Great Week
Larry

A "BIG" VBS THANK YOU FROM PREACHER LARRY

With all the hard work that went into this years VBS, thank you seems so small. It was so successful. When the children say "we didn't want VBS to end," you know you have done something right. I have been told many times that this was the "BEST" VBS ever, and we have had some great VBS's in the past. Thank YOU, Thank YOU to everyone who had a part in making VBS 2017...

The Best Ever!
