

Larry’s Lines...

ENJOY YOURSELF

President Eliot of Harvard was 88. Asked how he accounted for his good health and vigorous mind he said, “A calm temperament expectant of good.”

Winston Churchill said.

“ Rational, industrious, useful human beings are divided into two classes: First those whose work is work and whose pleasure is pleasure; and secondly, those who work and pleasure are one. Fortune’s favored children belong to the second class. Their life is natural harmony.”

Some things make life pleasant; others make it miserable. The following rules are not always easy to follow, but they help me. Maybe they will be of worth to you.

- 1. Make up your mind to be happy. Find pleasure in simple things.
- 2. Make the best of your circumstances. Everyone has some sorrow. Seek to make the smiles out number the tears.
- 3. You can’t please everyone. Don’t let your critics ruin your life. The more you accomplish, the more resistance you will meet.
- 4. Don’t borrow trouble. Imaginary problems are heavier than the actual ones.
- 5. Hate poisons the soul. Do not cherish grudges. Avoid people who make you unhappy.
- 6. Don’t hold postmortems; brooding over sorrows and mistakes leads to nowhere.
- 7. Do what you can for those less fortunate than yourself; especially those who have blessed your life.
- 8. Keep busy. A busy person doesn’t have time to be unhappy.

“ I know that there is nothing better for them than to be happy and enjoy themselves as long as they live (Ecclesiastes 3:12).”

Have A Great Week
Larry
