

## Larry's Lines:

# Actualities and Possibilities

*Experiments often prove enlightening, and such was the case of the researcher who decided to test whether his manner of dress would affect those who waited on him in various department stores. When he put on his "Sunday best" and entered a store he was treated with kindness and courtesy. When he dressed in a shabby manner he discovered that he was treated with coolness and indifference.*

*Sometimes the clerks were even hostile. They were obviously judging by appearance.*

*One of the interesting things about Jesus is the fact that when he looks at men he sees not only what they are, but what they can become. When Jesus looked at Peter he saw more than a Galilean fishermen. He saw one who could be as strong as a "rock", and one who could carry the gospel to his countrymen. As William Barclay has said, "He sees not only the actualities in a man; he also sees the possibilities."*

*I am thankful that the Lord can see possibilities in all of us. We may be blind to them, but he isn't.*

*Have a Great Week!*

*Larry*

### THANK YOU!

Thank you everyone who attended and helped with our LTC work camp. We had a great time with our 30 kids that attended and many of our projects were completed. This would not have been possible if we hadn't had such great participation from our kids and parents/helpers. In Christian Love,  
David and Contessa Shew
