

Larry's Lines...

Are You Giving Too Much To God?

One Sunday, my six year old granddaughter Kammi, asked me for some money so she could, as she put it, "Give it to God." I was very pleased that she had asked me and that she would want to do that. I opened up my wallet and she reached in and got a \$20.00 bill. Without thinking, I said, "Oh no, baby, that's too much." I was going to give her a dollar. Almost immediately I thought about what I had said and was so ashamed. What lesson had I taught her? Had I led her to think that we can give too much to God? I then gave her the twenty and said, "Here, baby, you give this to God." How do you tell a child that she is giving too much to God?

Ah, that's a good question isn't it! Children don't do all of the calculations we do. If they are touched, they will give away everything they have. They not only will give you the money; they will also throw in the piggy bank. What simplicity! What beauty! They have been known to give away their favorite doll, or even their bicycle.

As adults we have to sit down and figure. With a sharp pencil or calculator, we take note of percentages. We figure not only what we are giving, but how much we are going to keep. Rarely giving is it a spontaneous thing. It's cold, calculating and precise. Generally, our giving is respectable but not necessarily generous. We give more out of duty more than desire.

We speak of the widow's mite when we don't have a clue what we are talking about. We admire the broken alabaster box, but we have never felt the love of that woman. You can't neatly put such acts of giving into percentages. There's something deeper and more meaningful there than tends to show up in the way we give. How do you go about giving to someone who was crucified for you? Careful now, you don't want it to be too much.

Have a Great Week

Larry
